

What Our Clients Say

What Our Clients Say At Integrous we are passionate about helping our clients achieve their business objectives and therefore we place paramount importance on our 'client-focussed' approach.

We are delighted to share some of the comments made by our many satisfied clients...

- "Professional and reassuring..."

(Steve Joliffe, Business Development Director - Start 2 Finish Marketing)

- "We are very pleased with the contribution made to the overall project by the use of the handhelds. This method of collection of data allowed us to qualify the customer more accurately than the other methods we employed."

(Peter Sylvester, Managing Director, Harley-Davidson Financial Services)

- "We would like to thank Integrous for their hard work and endeavours in the provision of offshore development resource. Their level of customer service was exceptional... communication was always open, honest and upfront. The overall quality of service and the cost savings certainly makes the offer and attractive one."

(Ibrahim Khatib, Director - Openscape Ltd)

- "I can confidently say that Integrous are 100% professional, efficient and customer-focused."

(Sarah Koymen, Quintessential UK Ltd)

- "Their attitude to my requirements was both patient, understanding with superb attention to detail... outstanding customer-focused service time and time again."

(Warren Albut, Creative Director - Start 2 Finish Marketing)

- "After due consideration of the work that you have carried out to date, I am happy to advise you that the Board have chosen Integrous as our software outsourcing partner for the next two years. Integrous has the relevant skills and experience to add tremendous value to the work we are doing at P3C - we believe that the partnership will be beneficial in servicing our existing customer contracts."

(Assad Ahmed, Founder and Director - Phase 3 Consulting)

- "From start to finish the team has shown a clear and concise understanding of the project and the advice you have given has been invaluable."

(Sangeeta Ram, Project Manager - Business Learning Net)
